

Teacher Appreciation WEEK

May 2nd through May 6th

This is a week for students to show teachers how much we appreciate them and all of their hard work!

- **Monday, May 2nd:** Decorate-the-Door day! Parents are encouraged to decorate teacher's classroom doors. For most classrooms these doors are located on the outside of the door located in the cafeteria/library. Be on the lookout for an email from your room parent on how you can help.
- **Tuesday, May 3rd:** Bring in a special treat for your teacher.
- **Wednesday, May 4th:** Bring a flower from home for your teacher.
- **Thursday, May 5th:** Bring a school supply in for your teacher.
- **Friday, May 6th:** Write a note or make a card that says, "My teacher is a V.I.P. because....", and have your student bring it to school on this day.

Please note: All teachers in your student's life can be appreciated this week including music, resources, etc.

**ENJOY
YOUR
SUMMER!**

Update from Team

Can you believe April is almost over? Time flies when your busy learning! We're really excited for the last few weeks that we have left of this school year. We will be learning some really cool and interesting things that the kiddos are really going to enjoy! In writing, we just started a letter writing unit. Our classrooms have turned into a post office and neighborhood! Ask your child all about it! In math, we are learning how to count to 1,000 and working with place value. We are also continuing to add and subtract in double and triple digits. In science, we will be starting a fun unit on Sound, Magnets, and Force and Motion. This month, we were also able to go on a field trip to the fire station to visit and learn from our local heroes! Next month will also be exciting! Look forward to it!

Sincerely,
Mrs. Sholer, Mrs. Recinos, and Mrs. Aquino
Team Second Grade
