

Jackson Academy of Math & Music
Band Instrument Supply List

Each instrument needs certain supplies in order to function properly. Please use the following table as a guide for what is needed in addition to the instrument.

These items can be purchased at local music stores such as Music Village or Porcella's or online through companies such as Amazon, Woodwind Brasswind, or Cascio Interstate Music.

Do not purchase anything instrument specific unless you already have an instrument or have confirmed with the music department which instrument you will play this year.
